

ACCOMMODATION

Accommodation will be directly managed by the CFM. If you require accommodation during your attendance to the PhD Recruitment Fair, please, select “YES” in the Attendance Form’s question: “Will you need accommodation during your stay in Donostia-San Sebastián?”

Then specify which day you prefer doing the check in: the day before the Fair starts (strongly recommended) or the very first day of the Fair.

Make your decision also about the day you want to check out: immediately after the PhD Recruitment Fair finishes (deadline to check out usually is 12:00, so you would probably have to attend the Fair’s last day with your luggage) or the following day.

Accommodation is covered for a single room for a maximum of 3 nights; including breakfast (lunch and dinner will take place at the CFM).

Once you send your Attendance Form, the CFM will book a room for you, according to the details you chose about your accommodation necessities at the Attendance Form.

For inquiries related to early or late check in, early check out, menu and so on, you can directly contact with the Hotel Codina (**+INFO**): <http://hotelcodina.es/eng/location.html>

The CFM is about 15 minutes walking distance from your accommodation.
